ATTENTION !!.

Thoſe perſons that wiſh to purchaſe the GENUINE PATENT & FAMILY *MEDICINES* Of RICHARD LEE & SON MUST APPLY TO

Mr. Daniel Rapine, Capitol Hill, Waſhington, & Dr. John Ott, George Town.

"An ounce of prevention is worth pounds of cure."

For the prevention and cure of Billious and Malignant Fevers, is recommended

Lee's Anti-Billious Pills,
Prepared by Richard Lee & Son, Baltimore.

THIS medicine has, for eight years paſt been attended with a degree of ſucceſs highly grateful to the inventor's feelings, in ſeveral parts of the Weſt Indies, and the ſouthern part of the U. States, particularly in Baltimore, Peterſburg, Richmond, Norfolk, Edenton, Wilmington, Charleſton and Savannah The teſtimony of a number of perſons in each of the above places has been adduced, who have reaſon to believe that a timely uſe of this ſalutary remedy has, under Providence, preſerved their lives when in the moſt alarming circumſtances.

Facts of this concluſive nature, ſpeak more in favor of a medicine than columns of pompous eulogy, founded on mere aſſertion.

It is not indeed preſumptuouſly propoſed as an infallible cure, but the inventor has every poſſible reaſon that can reſult from extenſive experience, for believing that a doſe of theſe pills taken once every two weeks, during the prevalence of our bilious fevers, will prove an infallible preventative: & further, that in the early ſtages of thoſe diſorders, their uſe will very generally ſucceed in reſtoring health and frequently in caſes eſteemed deſperate and beyond the power of common remedies.

The operation of theſe pills is perfectly mild, ſo as to uſed with ſafety by perſons in every ſituation, and of every age.

They are excellently adapted to carry off ſuperfluous bile, and prevent its morbid ſecretions—to reſtore and amend the appetite—produce a free perſpiration, and thereby prevent colds, which are often of fatal conſequences; a doſe never fails to remove a cold, if taken on its firſt appearance. They are celebrated for removing habitual coſtiveneſs—ſickneſs at the ſtomach and ſevere head ache—and ought to be taken by all perſons on a change of climate.

They have been found remarkably efficacious in preventing and curing diſorders attendant on long voyages, and ſhould be procured and carefully preſerved for uſe by every ſeaman.

Lee's Infallible Fever and Ague Drops,
For the cure of Agues, Remittent and Intermittent fevers.

Thouſands can teſtify of their being cured by theſe drops, after the bark and every other medicine have proved ineffectual. Not one in a hundred has had occaſion to take more than one, and numbers not half a bottle.

Theſe drops are particularly recommended to the inhabitants of low marſhy countries, where the worſt ſort of agues generally prevail; which, unleſs early attended to, and ſpeedily removed, injure the conſtitution exceedingly, bring on dropſies, putrid fevers and a variety of complaints of the moſt dangerous and alarming nature. Many other medicines are daily offered to the public for the cure of this diſorder, which, upon trial, have been found either dangerous or uſeleſs The bark is the uſual remedy made uſe of but being a very nauſeous medicine, and ſeldom taken in ſufficient quantity, it very often fails; children and thoſe who have weak ſtomachs, are frequently loſt for want of a more eaſy and pleaſant remedy.

Sovereign Ointment for the Itch.

A preparation which for pleaſantneſs, eaſe ſafety, and expedition, gives place to no application whatever; free from mercury, or any pernicious ingredient.

Lee's Worm Deſtroying Lozenges.

Which have within ſeven years paſt cured upwards of one hundred thouſand perſons of both ſexes, of every age and in every ſituation, of various dangerous complaints ariſing from worms and from obſtructions or foulneſs in the ſtomach and bowels—they are perfectly ſafe and pleaſant and may be given to the youngeſt infant or the moſt delicate pregnant lady with propriety.

Lee's Genuine Eye Water.

A ſovereign remedy for all diſeaſes of the eyes, whether the effect of natural weakneſs or of accident.

Tooth Ache Drops.

The only remedy yet diſcovered which gives immediate and laſting relief in the moſt ſevere inſtances.

Genuine Perſian Lotion,

So celebrated among the faſhionable throughout Europe, as an invaluable coſmetic, perfectly innocent and free from corroſive and repellent minerals, (the baſis of other lotions) and unparalleled efficacy in preventing and removing blemiſhes of every kind, particularly freckles, pimples, inflammatory redneſs, ſcurfs, tetters, ring worms, ſun burns, prickly heat, premature wrinkles, &c.

Lee's Genuine Eſſence and Extract of Muſtard.

A ſafe and effectual remedy for Acute, Chronic Rheumatiſm, Gout, Palſy, Lumbago, Numbneſs, White Swellings, Chilblains Sprains, Bruiſes, Pains in the face and neck &c.

The Anodyne Elixer,

For the cure of every kind of Head-Ache.

Lee's Damaſk Lip Salve,

Is recommended (particularly to the Ladies) as an elegant and pleaſant preparation for chopped and ſore lips, and every blemiſh and inconvenience occaſioned by colds, fevers, &c ſpeedily reſtoring a beautiful roſy color and delicate ſoftneſs to the lips.

Reſtorative Powder for the Teeth and Gums.

Lee's genuine Corn Plaiſter.

An infallible remedy for ſpeedily removing Corns, Root and Branch, without giving pain.

Indian Vegetable Specific,

For the cure of Venereal Complaints.

It will be prudent in all who eſtimate the value of health, to obſerve that each of the above articles have the ſignature of Richard Lee & Son, on the outſide wrappers, without which none are genuine.

☞ Letters directed for Richard Lee & Son No 17, Market ſtreet, Baltimore, will be punctually attended to.
