Those persons that wish to purchase the *GENUINE PATENT & FAMILY MEDICINES*

OF RICHARD LEE & SON

MUST APPLY TO

Mr. Daniel Rapine, Capitol Hill, Washington, & Dr. N. Magruder, George Town.

"An ounce of prevention is worth pounds of cure."

For the prevention and cure of Billious and Malignant Fevers, is recommended

Lee's Anti-Billious Pills,

Prepared by Richard Lee & Son, Baltimore,

THIS medicine has, for eight years past been attended with a degree of success highly grateful to the inventor's feelings, in several parts of the West Indies, and the southern part of the United States, particularly in Baltimore, Petersburg, Richmond, Norfolk, Edenton, Wilmington, Charleston and Savannah. The testimony of a number of persons in each of the above places has been adduced, who have reason to believe that a timely use of this salutary remedy has, under Providence, preserved their lives when in the most alarming circumstances.

Facts of this conclusive nature, speak more in favor of a medicine than columns of pompous eulogy, founded on mere assertion.

It is not indeed presumptuously proposed as an infallible cure, but the inventor has every possible reason that can result from extensive experience, for believing that a dose of these pills taken once every two weeks, during the prevalence of our bilious fevers, will prove an infallible preventative; & further, that in the early stages of those disorders, their use will very generally succeed in restoring health and frequently in cases esteemed desperate, and beyond the power of common remedies.

The operation of these pills is perfectly mild, so as to used with safety by persons in every situation, and of every age.

They are excellently adapted to carry off superfluous bile, and prevent its morbid secretions—to restore and amend the appetite—produce a free perspiration, and thereby prevent colds, which are often of fatal consequences; a dose never fails to remove a cold, if taken on its first appearance. They are celebrated for removing habitual costiveness—sickness at the stomach and severe head ache—and ought to be taken by all persons on a change of climate.

They have been found remarkably efficacious in preventing and curing disorders attendant on long voyages and should be procured and carefully preserved for use by every seaman.

Lee's Infallible Fever and Ague Drops,

For the cure of Agues, Remittent and Intermittent fevers.

Thousands can testify of their being cured by these drops, after the bark and every other medicine have proved ineffectual. Not one in a hundred has had occasion to take more than one, and numbers not half a bottle.

These drops are particularly recommended to the inhabitants of low marshy countries, where the worst sort of agues generally prevail; which, unless early attended to, and speedily removed, injure the constitution exceedingly, bring on dropsies, putrid fevers, and a variety of complaints of the most dangerous and alarming nature. Many other medicines are daily offered to the public for the cure of this disorder, which, upon trial have been found either dangerous or useless. The bark is the usual remedy made use of but being a very nauseous medicine, and seldom taken in sufficient quantity, it very often fails; children and those who have weak stomachs, are frequently lost for want of a more easy and pleasant remedy.

Sovereign Ointment for the Itch.

A preparation which for pleasantness, ease, safety, and expedition, gives place to no application whatever; free from mercury, or any pernicious ingredient.

Lee's Worm Destroying Lozenges.

Which have within seven years past cured upwards of one hundred thousand persons of both sexes, of every age and in every situation, of various dangerous complaints arising from worms and from obstructions or foulness in the stomach and bowels—they are perfectly safe and pleasant, and may be given to the youngest infant or the most delicate pregnant lady with propriety.

Lee's Genuine Eye Water.

A sovereign remedy for all diseases of the eyes, whether the effect of natural weakness or of accident.

Tooth Ache Drops.

The only remedy yet discovered which gives immediate and lasting relief in the most severe instances.

Genuine Persian Lotion,

So celebrated among the fashionable throughout Europe, as an invaluable cosmetic, perfectly innocent and free from corrosive and repellent minerals, (the basis of other lotions) and unparalleled efficacy in preventing and removing blemishes of every kind, particularly freckles, pimples, inflammatory redness, scurfs, tetters, ring worms, sun-burns, prickly heat, premature wrinkles, &c.

Lee's Genuine Essence and Extract of Mustard.

A safe and effectual remedy for Acute Chronic Rheumatism, Gout, Palsy, Lumbago, Numbness, White Swellings, Chilblains, Sprains, Bruises, Pains in the face and neck &c.

The Anodyne Elixer,

For the cure of every kind of Head-Ache.

Lee's Damask Lip Salve,

Is recommended (particularly to the Ladies) as an elegant and pleasant preparation for chopped and sore lips, and every blemish and inconvenience occasioned by colds, fevers, &c speedily restoring a beautiful rosy color and delicate softness to the lips.

Restorative Powder for the Teeth and Gums.

Lee's genuine Corn Plaister.

An infallible remedy for speedily removing Corns, Root and Branch, without giving pain.

Indian Vegetable Specific,

For the cure of Venereal Complaints.

It will be prudent in all who estimate the value of health, to observe that each of the above articles have the signature of Richard Lee & Son, on the outside wrappers, without which none are genuine.

☞ Letters directed for Richard Lee & Son, No 17, Market street, Baltimore, will be punctually attended to.
