Valuable Seats for Iron Works

THE subscriber offers for sale between Five and Six Thousand acres of Land bounded on one side by James River, including big and little Owen's Creek, and situate in Amherst county in the state of Virginia. This land is in the midst of a well and thick settled country, about 100 miles above the city of Richmond. There are not more than 30 acres of it cleared. The remainder is heavily timbered— consisting of large pines, white oaks, poplar, black walnut and chesnut. On Big Owens Creek, and within 600 yards of James river, which is navigable for boats at all seasons of the year—there is an excellent site for any kind of water works. The stream is rapid and constant, and about three miles from the seat are, as it is believed inexhaustible banks of Iron ore, which the subscriber has secured and which will be sold with the land, This ore has been tried and proved to be of a very superior kind. The land adjoining the seat is of excellent quality. Two hundred acres of timothy meadow might be made on the creek. The upland although hilly in places is wil adapted to small grain, and a great proportion of it suitable to the raising of tobacco. Immediately around the site for water works are inexhaustible LIMESTONE Quarries, together with great quantities of the best building stone. In short there are many advantages combined to render this a most eligible spot for the erection of iron works, or any other kind of water works. It is deemed unnecessary to say more concerning this property than to request those who incline to purchase to view it. It will be shewn by captain Henry Halloway in the neighborhood. The price will be moderate, terms of sale which will be made very easy, will be made known on application to the proprietor residing in Georgetown district of Columbia.

Treasury Department, United States, April 28, 1807.

WHEREAS the Commissioners of the Sinking Fund at a meeting held on the 23d day of March 1807, did among other things resolve, that the Eight per cent. Stock, created in pursuance of the several acts of Congress passed on the 16th day of July 1798, and 7th day of May 1800, should be reimbursed on the first day of January one thousand eight hundred and nine.

This is therefore to give notice that the principal of the said Eight per cent. stock will, on surrender of the certificates, be paid on the first day of January 1809, to the respective Stockholders or their lawful representatives or attornies duly constituted and authorised, either at the Treasury or at the Loan Office, as the case may be, where credits have been given for the amount of Stock respectively held by them.

It is further made known for the information of the parties concerned, that no transfers of the said Eight per Ceent Stock either from or to the books of the Treasury, or from or to the books of a Commissioner of Loans will be allowed after the first day of December, one thousand eight hundred and eight. And the interest on all certificates of said Stock, which shall not have been surrendered in pursuance of this notification, will cease and determine on the day preceding the day hereby fixed for the reimbursement thereof.

And whereas the Commissioners of the Sinking Fund at their meeting held on the 23d day of March as aforesaid, did also resolve, that the sum which after making the current payments for the years 1807 and 1808, and after reimbursing the Four and a half per Cent Stock, might remain to complete the annual appropriation of Eight Millions of dollars, for those two years should, among other purposes, be applied to the purchase of the Eight per Cent Stock at private sale, and that such of the Cashiers of the Bank of the United States, and of its office of Discount and Deposit as the Secretary of the Treasury shall designate, be the agents under his superintendance for making the said purchases:—Notice is hereby accordingly given, That James Davidson, jun. Cashier of the office of Discount and Deposit at Washington, has been appointed agent for that purpose in Washington, to whom such of the proprietors of Eight per Cent Stock as may be willing to sell the same within the prices limited by law, are requested to apply.

CAPITOL of the UNITED STATES.

NO Person whatever can be admitted into the South Wing of the Capitol, excepting those actually engaged in the work.

It is hoped that the citizens will see the necessity of this restriction being general.
