The one way to be rid of perspiration troubles

No need to let perspiration cause you inconvenience and annoyance another minute. No matter how hot it is or how active you have been all day, you can be free from the discomfort of excessive perspiration.

Soap and water alone do not mean freedom from perspiration annoyance. Neither do talcum powders and deodorants for more than a few minutes. The good effects of these last for such a very short time they are not real helps at all.

The one way to be rid of excessive perspiration is by diverting it from the places where it is most bothersome—under the arms, also from hands, feet, neck or forehead—and make it come out evenly over the entire body.

This is just what Odo-ro-no does. It relieves you at once of the discomfort and embarrassment which excessive perspiration always causes, and leaves the parts to which it is applied, naturally sweet and dry.

It is not necessary to use Odo-ro-no daily. Just three times a week, regularly applied, will do

away with all perspiration annoyance. One application prevents odor for at least three days.

Remember this about perspiration

Your physician will tell you it is "healthy to perspire only when the perspiration is natural and normal over the entire body. This normal perspiration causes you no discomfort, you are not even conscious of it." It is the excessive, abnormal perspiration which is so noticeable and causes you so much discomfort that Odo-ro-no does away with. Odo-ro-no was formulated by a physician and is made of absolutely harmless ingredients.

Get a bottle today

Try it. See if it does not relieve you. At all leading toilet counters in the United States and Canada, 50c and \$1.00. Trial size, 25c. By mail postpaid if your dealer hasn't it. Address The Odo-ro-no Co., 180 Blair Avenue, Cincinnati, Ohio.

If you want to know more about perspiration and how to regulate it, write for booklet, "The Truth about Perspiration." If you are troubled in any unusual way, or have had any difficulty in finding relief, won't you write us? We will gladly answer any special questions you wish to ask. See address above.

Odo-ro-no is used and endorsed by the leading physicians of the country.
