DONT let your house look bare and uninviting on the theory that you must wait until you can afford big trees. We have big bulky shrubs that will not only add charm and alluring beauty to the impression of your home, but form masses of foliage high enough to give privacy—and screen whatever needs to be screened. In the Hempstead residence shown here, for example, tall shrubs are used to separate the porch from the entrance drive and street. The kitchen entrance may be concealed in similar manner. Your favorite shrubs can be used—Deutzia, Syringa, Dogwood, Weigela, etc. A careful selection of Hicks' shrubs will give beautiful effects through the entire year, either with flowers, brilliant berries or healthy, vigorous foliage. Call or phone to-morrow or write to-day for full details, with pictures and prices.

We are half way through Summer weather. Belleclaire guests have experienced comforts. They live where there is no thought of discomforts.

What better does anybody want than a comfortable bed, with wide windows, letting in cooling breezes, and then on awakening to jump into a bathtub big enough to accommodate his whole body in a small sea of water?

Then to come down to breakfast, knowing that he will get something good to eat of his own ordering—cooked just right. If he drinks coffee, what a fine quality he gets!

He reads a newspaper at the breakfast table located in a cool dining room—or he may lounge in a cool lobby after breakfast, finishing reading while enjoying his cigarette or cigar.

Oh, yes! He starts out for the day feeling fine and comes back at night, taking a plunge in the bath if he wishes, and then down to dinner, where he orders according to his appetite and gets what he orders served right and cooked right.

Summer in The Belleclaire is very, very comfortable.

HAVE YOU A SWEETHEART?

Son or Brother in training camps in the American Army or Navy? If so, mail him a package of **ALLEN'S FOOT-EASE**, the antiseptic powder to be shaken into the shoes and sprinkled in the foot-bath. The American, British and French troops use Allen's Foot-Ease, because it takes the friction from the shoe and freshens the feet. It is the greatest comforter for tired, aching, tender, swollen feet.

Soldiers use Foot-Ease bunsions.

The Plattsburg Camp Manual advises men in training to shake Foot-Ease in their shoes each morning. Ask your dealer to-day for a 25c. box of Allen's Foot-Ease, and for a 2c. stamp he will mail it for you. What remembrance could be so acceptable?
